DETAILED ACTION

Response to Arguments

1. Applicant's arguments in the Response filed 5/23/08 (page 10, lines 6-22) with respect to claims 1-33 have been fully considered and are persuasive. The rejection of claims 1-6, 8, 11-17, 19, 22-28, 30, & 33 under 35 USC §102 and the objection to claims 7, 10, 18, 21, 29, & 32 have been withdrawn. The objection to claims 9, 20, & 31 has been obviated by their cancellation.

2. Applicant's arguments filed 5/23/08 do not address the previously outstanding rejection of claims 49-50, which is reiterated below.

Claim Rejections - 35 USC § 102

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

4. Claims 49-50 are rejected under 35 U.S.C. 102(e) as being anticipated by Kumar et al (US 7130073).

Re claim 49, Kumar et al discloses (column 1, lines 39-62) a print job processing method and means in which a selected pattern object is identified within a print job and the number of times that pattern object is used is counted (such a "counting" inherently constitutes the incrementing of the count upon each occurrence).

Re claim 50, Kumar et al discloses (column 1, lines 51-55, the generation of a pattern object identifier associated with the pattern object (readable on the recited "signature") and the comparing of this identifier to detect matches.

Allowable Subject Matter

5. Claims 1-8, 10-19, 21-30, 32-33, & 59-61 are allowed.
6. The following is a statement of reasons for the indication of allowable subject matter:

As noted above, Applicant's arguments (5/23/08 Response: page 10, lines 6-13) with respect to claims 1-8, 10-19, 21-33 have been fully considered and are persuasive. Re new claims 59-61, as noted by Applicant (5/23/08 Response: page 10, lines 14-22), these claims include subject matter previously indicated to be allowable.

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will

Art Unit: 2625

expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
